## 'The Sports People'

### What happens at an event?

The events are simple to be organized. Advise us where and when, we can provide you with all the paperwork. We can then offer a variety of fantastic games and activities for all ages. The activities/games change every 15 minutes so we keep the children entertained and busy.

### What do the parents do?

Parents are there to meet & greet other, then they can sit back, relax and enjoy the activities while socialising with other parents/friends/teachers. It's a chance for them to take lots of photos of the children enjoying the activities.

### What do you provide?

Drinks is the main answer. Soft drinks / juice / water. You may provide some nibbles for the parents or other healthier and cost effective alternatives may be fruits such as cut up bananas, watermelon, rock melon, grapes, apples and oranges.

### Who will run the party?

The staff at Sparrow Sports are experienced and trained in this type of event. The person in charge will be a caring talented leader to run the entertainment programs for you.

### When can I have a party?

The weekends and after school are favoured days as most can attend, but other suitable times may be arranged if required, such as school time and school holidays.

### Fees

Payment is made on the day and can be Cash / Cheque / EFT or Invoice. No deposit is required to secure your booking but a \$50 cancellation fee applies.

### What happens if it rains?

We will endeavor to play games to suit any situation that arises. We have developed a range of games that may be played in an indoor space such as a garage, carport etc and will adapt the games to suit.

### How do I book or enquire about an event?

Phone (02) 9400 9020 / 0412 602 999 the office or e-mail us at: [info@sparrowsports.com.au](mailto:info@sparrowsports.com.au) We will ring you back to confirm the details + send you a confirmation for your booking.
